The Four-Way Test

Of the things we think, say, or do . . .

First—Is it the Truth?

Second—Is it Fair to all concerned?

Third—Will it Build Goodwill and Better Friendships?

Fourth—Will it be Beneficial to all concerned?

After over 20 years of hard work, Rotary and its partners are on the brink of eradicating this tenacious disease, but a strong push is needed now to root it out once and for all. It is a window of opportunity of historic proportions.

Your contribution will help Rotary raise \$200 million to match \$355 million in challenge grants received from the Bill & Melinda Gates Foundation. The resulting \$555 million will directly support immunization campaigns in developing countries, where polio continues to infect and paralyze children, robbing them of their futures and compounding the hardships faced by their families.

As long as polio threatens even one child anywhere in the world, children everywhere remain at risk. The stakes are that high. Even if you have already donated, or have been generous to the Rotary Foundation, please try to give a little extra to help in this effort.
